If you are reporting a water emergency, please call Customer Service at (760) 366-8438.

Thank you for contacting Joshua Basin Water District Customer Service to report a situation regarding water waste or a violation of water restrictions. Please provide specifics below:

Incident Date : _____
Time of the day: _____
Location: _____

Description : _____

District staff will look into the situation where water waste is thought to have occurred. Our goal is to give all persons and businesses the opportunity to correct the problem, become better informed about the importance of water conservation, prevent future instances of water waste, and change water habits for the better.

All reports remain anonymous. However, if you would like to discuss this matter with us, you may optionally leave your name and number or e-mail address and we will contact you.

Name: _____
Day Telephone No.: _____
