Subject: Public Comment re: August 5th Agenda

Hello esteemed members of the Joshua Basin Water District,

I am writing to extend my thoughts on agenda items in the upcoming board meeting.

1. Please vote no on reorganization of the board
2. Please table/continue agenda items 7A and 7B to a later date so the public has sufficient time to review the issues in-depth.

It is my understanding that these items have been added to the agenda in an effort to disenfranchise the current board president, Stacey Doolittle, and detract from her efforts to ensure transparency is maintained regarding the ongoing efforts to install sewer capacity in Joshua Tree. I believe transparency is crucial when it comes to such large installations and impactful developments in our beloved home.

Appreciatively yours,

Nicholas Christensen
