Subject: Board reorg & Agenda Items 7A & 7B

Dear Board Members and GM Sarah Johnson,

This is for public comment for Aug 5th

1. Please Vote No on reorg of the Board. (Allow Stacy Doolittle to continue as President of the Board until the end of her term.)
2. Continue Agenda Items 7A and 7B to a later date so the public has time to review the issues.

I have resided in Joshua Tree since 2013 and I own a two small businesses and am a member of Joshua Tree Village Neighbors. While I am undecided on the Joshua Tree sewer project, I am determined to see it completed with integrity, accountability, and public transparency, including clear funding sources for the project. Stacy is the best advocate to ensure this project proceeds with the community's best interest in mind.
