Subject:	Aug 5, 2026 Board Meeting Agenda Inquiry
Board Member:	Director Jarlsberg
	Dear Director Jarlsburg, This is the first time I have ever written to the Board, even though I watch the videos sometimes. I think you are my district member. But could you please share this with the rest of the Board for the upcoming meeting this week? I hope that you will be able to email me back, as I cannot be at the meeting I looked at the agenda for the August 5 meeting; I don't understand it. It says something about election of officers

Comments:

and a censure of Director Stacy Doolittle, but she's the Board President. Why does the agenda call her Director instead of President? Did someone already decide she isn't president anymore? If so, who was that, or will we find out?? I don't understand how these things work. From the outside, it looks like something important or bad is happening. But it is not clear what. Why is there no detailed description for these items, like there is for other items, like the membership thing? I went to one of the Board meetings and was impressed by the questions Ms. Doolittle asked. It looks like she was doing a good job as president. She seemed prepared and asked deeper questions than any other board member. I believe that is the job of the Board... to hold the district accountable and protect its clients, like me. Watching Ms. Doolittle makes me feel less worried and gives me a sense of relief because most people, including myself, can't be at every board meeting. Unless there are some serious reasons, I don't understand why she wouldn't continue being Board President — If that is what this says. And what is CENSURE about? Can you tell me why there's no information about it? Is it private? I look forward to a response. Thank you for your time.
