Subject: Public comment for August 5th meeting

Dear Mr. Short,

Please vote NO on reorg of the Board and Vote to Continue Agenda Items 7A and 7B to a later date so the public has time to review the issues.

I am a ratepayer and homeowner in your district and would appreciate getting all of the information before the Board votes on this.

From what I hear, Pres. Doolittle goes above and beyond her normal duties to make sure the public is getting transparency and accountability from the water district and the county. I hope she continues to.

Thank you for your attention to this matter.

Cheers,
Michael Lawrence
