To the Joshua Basin Water District Board of Directors:

RE: agenda item regarding censure of director Stacy Doolittle

I have been a resident of Joshua Tree for over 20 years. While I do not reside in director Doolittle's rate-payer district, I've had plenty of opportunity to become acquainted with Stacy, who has earned the confidence and trust of many community members and has exemplified positive civic engagement on numerous issues (both concerning JBWD and otherwise.)

Joshua Tree is fortunate to have such an energetic, tireless defender of the public interest. Please consider director Doolittle's numerous contributions to the community and vote NO on the censure.

Respectfully--

Peter Marshall Spurr, GRI
